Consumption CAN BE CURED

Even in the last stages progress of
the malady can be checked, the tu-
bercle bacilli destroyed, and a com-
plete cure effected.
We have incontrovertible evidence of
our success. Many Los Angeles and
Southern California people have been
rescued from an apparently hopeless
stage of the dread disease.
Texas is the ideal climate for cures
with Tuberclecide.

Your Loved Ones May Be Saved
From Their Impending Doom
Tuberclecide completely eliminates
the Tubercle bacilli from the hu-
man body.
No hypodermics. No nostrums.
No treatment of our claims and begin
treatment before it is too late.
Treatment at home, surrounded by
home comforts. We invite correspon-
dence and will give full particulars by
mail, or to all who call at our offices.

SOLDIERS START ON 200 MILE HIKE FROM DEL RIO

Fort Bliss Troops Pass Through Small
Texas Towns Enroute to Leon
Springs Encampment.

Del Rio, Texas, July 15.—The head-
quarters band, the machine gun platoon
and the second battalion of the 23rd
infantry, U. S. A., from El Paso,
arrived here and started on the
march to Leon Springs, near San
Antonio. The arrival of the troops
here was delayed by the burn-
ing of the bridge near Bean switch.
The troops will take part in the army
maneuvers scheduled for August.
In marching from here to Leon Springs,
a distance of 200 miles, the following
small towns will be touched: Fort
Clark, Uvalde, Sabin, D'Hanis, Hondo
and Castroville.

OFFICERS FOR DEL RIO STATE BANK; FIXTURES ARE DELIVERED

Del Rio, Texas, July 15.—The new
State Bank and Trust company, at a
meeting of the stockholders elected of-
ficers including Will Whitehead, presi-
dent; Sidney Turney, active vice presi-
dent; John J. Foster, vice president; O.
B. Franks, cashier. These officers with
John C. Clarkson, T. J. Ellis and J. O.
Taylor, form the directors.
The new bank will open in the Ro-
senfield-Foster brick building at the
corner of Perry and Gove streets. Fire
and burglar proof vaults and handsome
fixtures are expected to arrive shortly.
This institution is the first state bank
to be organized here.

MORMONS COMPLETE DEAL FOR MEXICO LAND NEAR DEL RIO

Del Rio, Texas, July 15.—Advices
have been received here that Bishop W.
Derby Johnson, Jr., of the Mormon
church, has returned to his colony at
Colonia Diaz, Mex., from a visit to Salt
Lake, where he went to take up the
proposition of purchasing a large tract
of irrigated land in Mexico, opposite
Del Rio, for the establishment of an-
other colony of his people. It is ex-
pected that families will soon be arriv-
ing here for transportation to the land.
It is known that 12,500 acres of land
with permanent water rights, coming
direct from the Mexican government,
will be bought.

DEL RIO SHIPS THIRD CAR OF ONIONS; MEXICAN CROP LARGE

Del Rio, Texas, July 15.—Del Rio's
third car of onions has been shipped
and while the number of cars does not
show up as great as those from other
southwest Texas towns, it is a starter
and demonstrates that another real on-
ion producing section has been found.
The prices obtained so far have been
exceptional and above the usual run of
quotations for the average season. Sev-
eral car loads from Las Vegas, across
the Rio Grande in Mexico, are expected
to be marketed through this port. The
crop is just ready for shipment.
